

Reassuring Meetings, Conferences & Events

REST ASSURED WITH OUR FLEXIBLE SAFE & SECURE MEETINGS

As part of our Reassuring Moments programme and in line with local government guidelines, we have developed Reassuring Meetings to ensure our meetings and events spaces are ready to safely welcome you back.

SGS CERTIFIED

All our European hotels have formally passed the SGS Cleaning and Disinfection Pledge Assessment by adhering to enhanced, rigorous standards.

HIGH-TECH SOLUTIONS IN SAFE SPACES

All meeting spaces come complete with free Wi-Fi, high-quality audiovisual equipment and hybrid solutions.

SOCIAL DISTANCING

We have revised the capacity of our meetings and events spaces in line with local social distancing regulations.

DEDICATED EVENT PLANNER

An experienced event planner is assigned to help you safely plan and implement your event.

INCREASED CLEANING AND DISINFECTION

We ensure increased cleaning and disinfection of all areas with particular attention to high-touch items.

A VARIETY OF FOOD AND BEVERAGE OPTIONS

We offer a wide range of food and beverage options – from set to bespoke menus – all served in line with strict safety procedures.

SAFETY IN EVERY DETAIL

In line with local government guidelines, we have new measures in place that include temperature checks and hand sanitising stations at arrival, as well as instructions and routing that ensure social distancing in all meetings and events spaces.

A CONTACTLESS EXPERIENCE

For complete safety and peace of mind, we have contactless services available across selected hotels, which includes online check-in, digital room key, instant messaging with our team 24/7, online food and drink ordering.
